It would involve a bike ride route beginning at the Rec. Park, traveling on several roads within and near the Village of Red Hook limits, and returning to the Rec. Park. We are continuing to address the following items:

- notify Village of Red Hook Mayor and Trustees and seek their approval
- arrange for police and emergency medical service presence
- investigate event insurance needs
- develop a registration system
- prepare promotional material for internet, schools, radio stations, etc., and advise on safety helmet requirements
- arrange for route supervision and safety items
- installation of directional and caution signs
- prepare water and first-aid stations
- design other activities, some of which could be judged for prizes

—We are planning to set up a table on Apple Blossom Day ( Sat., May 8, 2010, from 10:00 AM to 4:00 PM ). We will provide maps of Red Hook trails and promotional information for Tour de Red Hook at this site.

The next meeting is scheduled for 7:30 PM, Thurs., May 6, 2010, at Red Hook Town Hall.
