### Red Hook Recreation Park Courtesy

**No Motorized Vehicles Please!** The new Town Recreation Park Extension on the west side of Linden Avenue is in early stages of development. There cannot be any motorized vehicular traffic entering the park. This sensitive Town Parkland may currently be used only for PASSIVE recreation: walking, hiking, biking and cross country skiing on the trails. Parking for these activities is available at the existing Recreation Park north parking lot on the east side of Linden Avenue.

Thank you for your consideration.
