RE: Informational Session Scheduled – Rec Park West
May 4th - 6:30 PM

An informational session has been scheduled for Friday, May 4th at 6:30pm at Town Hall for members of the public to hear about the Recreational Park West phase 1 development. Purchased in 2007 to construct more athletic facilities, the 28.8 parcel will include a multi-purpose field that will be able to accommodate individuals with physical and other challenges - thanks to a \$200,000 Community Development Block Grant obtained last year. The adopted 2013 Master Plan for Rec Park West will need to be slightly modified as a result of these changes; a draft of which will be available at the info session. The parcel, which adjoins over 300 acres of soon to be preserved land for water protection, will also be part of the village to village trail system.

If you are unable to attend the session, you can log onto www.redhook.org to see the plans or e-mail my assistant, Jackie Fenaroli, at jfenaroli@redhook.org to be added to the e-mail list.
