Supervisor Blum Bump called the meeting to order at 7:23 p.m. with the reading of the public hearing notice on outdoor wood burning furnaces.

Supervisor Blum Bump asks if there are any comments.

Harry Williams...is not sure what rural character is. Wood burning stoves are part of rural living to heat homes. He questions the priority of this.

Robert McKeon commended the Board for addressing this very important health issue. These outdoor wood stoves are throw backs to the industrial like pollutants in our clean air.

Councilwoman Bordewich thanked both residents for speaking. It's helpful to hear from people and she appreciates their comments.

On a motion by Supervisor Blum Bump, seconded by Councilwoman Crane, move to close the public hearing on outdoor wood burning furnaces.
