**DCRRA to Host Household Hazardous Waste and
Electronics Recycling Event**

Saturday, May 3rd

Poughkeepsie... This year's long, harsh winter season has finally ended and spring is here! It's time for spring cleaning and de-cluttering garages, and basements. Fortunately, whether it is pool chemicals no longer needed, leftover varnish from last year's project, or an old television, it can be safely disposed of. The Dutchess County Resource Recovery Agency will hold the second of eight scheduled Household Hazardous Waste and Electronics Recycling Events, Saturday, May 3rd. A complete list of accepted material is included below. Pre-registration is required and there is a \$5 fee. Call the Dutchess County Resource Recovery Agency (DCRRA) at [\(845\) 463-6020](tel:(845)463-6020) or visit <http://www.dcrra.org/> to pre-register and schedule an appointment.

Dutchess County Deputy Commissioner of the Division of Solid Waste Management Lindsay Carille said, "People don't realize how many of the products they use on a regular basis are hazardous. Residents need a way to dispose of those items properly so that they don't pose a threat us, our neighbors, or our environment." Dangerous fumes may leak out of hazardous items that are sitting in storage. Chemicals can leak and pollute soil or groundwater. If it is disposed of improperly, it may mix with other chemicals, possibly creating a dangerous reaction or rendering it unrecyclable. "The best thing to do with an unused or unwanted hazardous product is to bring it to a Household Hazardous Waste event," Carille added.

"Last year, Dutchess County residents safely disposed of an impressive amount of hazardous wastes, electronics, and mercury-containing fluorescents. I hope this year will be even more successful," said DCRRA Executive Director William Calogero.

Collection events will be hosted throughout the year at a variety of locations throughout the county. The events are partially funded by the New York State Department of Environmental Conservation.

Saturday, May 3rd	Dutchess County Resource Recovery Agency (No medications accepted on this date)
Saturday, June 7th	Town of Rhinebeck Highway Department
Saturday, July 12th	Dutchess Intermodal Center (Fishkill)
Saturday, August 2nd	Dutchess County Resource Recovery Agency*
Saturday, September 6th	Cornell Cooperative Extension (Millbrook)
Saturday, October 4th	Town of Rhinebeck Highway Department
Saturday, November 1st	Dutchess County Resource Recovery Agency

*Event will also feature safe medication disposal from 8am to 10am.

See below for a complete list of accepted HHW materials.

###

Dutchess County Resource Recovery Agency's 2014 Household Waste Disposal Days

Materials that WILL be accepted:

Product containers marked with words: "**Warning**", "**Hazardous**", "**Flammable**", "**Poisonous**", or "**Corrosive**"
