

PUBLIC NOTICE

The Town of Red Hook will be holding a public information meeting to discuss PIN 8761.24 – NYS Route 9 Pedestrian Improvements in the Town of Red Hook, Dutchess County. The open meeting will be held during the Town Board meeting on Tuesday, December 8th, 2015 from 7:45pm until 8:15pm at the Town Hall located at 7340 South Broadway, Red Hook.

This Public Information Meeting is part of the continuing effort by the Town, the New York State Department of Transportation and the Federal Highway Administration to encourage public input into transportation projects. The purpose of the meeting is to obtain comments on the proposed sidewalk project from individuals, groups, officials and local agencies.

If any special accommodations will be required to facilitate your participation in the meeting, or if you would like further information on the project, please contact HVEA Engineers at (845) 838-3600.

Written comments on the project should be forwarded to:
